THE HASHEMITE KINGDOM OF JORDAN
MINISTRY OF ENERGY AND MINERAL RESOURCES
INVITATION TO PARTICIPATE IN A CONSULTANCY SERVICES
Tender No.(7/M/WORKS/2025)

The Ministry of Energy and Mineral Resources (MEMR) invites qualified companies to participate in the tender No. (7/M/WORKS/2025) for providing expert advisory services related to key natural gas projects under its strategic plan (2025-2035).

The selected consultant will assist MEMR with the following projects:

1. Gas Market Assessment:

- Review the current gas market and analyze it against regional and local markets.
- Study market dynamics, including supply and demand scenarios.
- Review the regulatory frameworks and relevant legislation, and provide necessary recommendations.
- Optimize the utilization of natural gas extracted from the Al-Risha Gas Field to achieve the best value addition.
- Perform an economic assessment, including cost analysis and pricing mechanisms.
- Identify and evaluate potential financing options for gas projects, including public-private partnerships, loans, and investment opportunities.
- Develop a comprehensive action and road plan for market implementation.
- Legal and Commercial Advisory.

2. Natural Gas Pipeline from Al-Risha Gas Field to the Arab Gas Pipeline:

- Define optimal capital structure and financing options.
- Advise on transportation tariffs.

- Prepare necessary documentation, including financial models and risk matrices.
- Ensure compliance with relevant regulations and funding eligibility.
- Manage the bidding process and lead final negotiations.

3. City Gas Distribution Network in Amman and Zarqa:

- Advise on selecting the best investor for project implementation.
- Evaluate commercial offers and establish a transparent mechanism for determining gas prices for end users.
- Assess the financial impact of the project on the government and citizens.
- Identify financial and commercial risks and propose mitigation strategies.
- Provide legal and commercial advice for finalizing agreements and facilitating contract awards.

MEMR hereby invites qualified consultant with proven experience in similar projects and technical expertise in the providing consultancy Services for employers in the natural gas pipeline and distribution network project.

The RFP document, available on the MEMR website (www.memr.gov.jo), please contact the following emails:
